

Powerful Testimony – “All Men Are Desperate Whether They Admit It or Not” helped save marriage

It is that time of year when churches, ministries, and NFPs reach out to generous people like you to help sustain and build on what we are doing. There are a lot of great places to give, but I want you to think of your participation as an investment in men with eternal returns.

Between now and the end of the year, we thought it would be good to bring to you a series of videos from people whose lives have been directly impacted by Walter’s “ministry” that reached men and women. This work is only possible through your obedient response to the Holy Spirit impressing on your hearts that it is making a difference—both now and for eternity. Thank you for giving now. God bless you.

Walter
