It is that time of year when churches, ministries, and NFPs reach out to generous people like you to help sustain and build on what we are doing. There are a lot of great places

to give, but I want you to think of your participation as an investment in men with eternal returns.

Between now and the end of the year, we thought it would be good to bring to you a series of videos from people whose lives have been directly impacted by Walter's "menistry" that reached men and women. This work is only possible through your obedient response to the Holy Spirit impressing on your hearts that it is making a difference—both now and for eternity. Thank you for giving now. God bless you.

Alex Maldonado shares his experience as a participant in “All Men Are Desperate Whether They Admit It or Not” small group at Brentwood Baptist Church

Two Desperate Men Joined at the heart thru the Cross of Christ

While I am leading this men's small group at the mission through my book, *All Men Are Desperate Whether They Admit It or Not*, I always find myself praying I will have as much impact on these men as they do on me.

Tonight it was just Eddie and me. This is his second time through the life-recovery program. His *desperate man* story is powerful, and the evidence of what the Holy Spirit is doing in his life is just what we would expect—**amazing**.

I would love to hear your *desperate man* story as we all have one...*whether we admit it or not!*
