

All Men Are Desperate Whether We Admit It or Not – message from Part One of Walter's book

No Looking Back – Hindsight is NOT 20-20

This is an abbreviated video version of the full lesson—abbreviated because I was the “half-time show” during the Super Bowl for the homeless chapel at Nashville Rescue Mission Sunday evening. 300+ men listened as patiently as can be expected under the circumstances, and perhaps more importantly, I did my best to keep it short and finish before Justin Timberlake did.

I am glad to say, “Mission Accomplished!” The full written version of the message will be posted soon. I pray at least one thought shared in this video pricks your heart, settles in your mind, and strengthens your relationship with Christ. That will make it time well spent.
